**Funding Commitment Decision Letter for FY 2011**

**Appeal Narrative:**

The Funding Commitment Decision Letter, dated January 24, 2012 **was never received by the district**. On January 30, 2012, a PIA inquiry was received from Kenneth Stibitz concerning a closed entity, Dag Hammarskjold Elementary School, which questioned when this school was closed. As a result, the district felt the Funding Year 2011 funding was also still in review. When no Funding Commitment Decision letter was received, subsequent to the response back to Mr. Stibitz, the USAC help desk was called on May 1, 2012 and a copy was requested from the USAC help desk. When the copy was received, it was noted that the the Funding Commitment for this FRN was reduced because of the elimination of Dag Hammarskjold, even though Mr. Stibitz had been informed that this school closed in June 2010 and the cost allocation for this closed school was never included in this funding request. The full funding for this request should be reinstated. **The appeal to USAC was beyond the 60 day limit, however, a copy of the Funding Commitment Decision Letter was not received**

When the copy was received, it was noted that the the Funding Commitment for this FRN was **denied** because of insufficient documentation and the elimination of Dag Hammarskjold, even though Mr. Stibitz had been informed that this school closed in June 2010 and the cost allocation for this closed school was never included in this funding request. **In addition, a PIA inquiry was received requesting additional documentation from Peter Chung on May 19,2011. Mr. Chung was sent copies of the bill, which proved this request was for cell phone service and did not include a cost for the actual phones. Another PIA inquiry was received from Sarahann James on November 15, 2011 requesting the same information that was sent to Mr. Chung. The district never received the PIA inquiry from Ms. James and she never attempted to contact the alternate contact, Jack Rienstra. The full funding for this request should be reinstated. The appeal to USAC was beyond the 60 day limit, however, a copy of the Funding Commitment Decision Letter was not received until May 1, 2012.
